## Important Dates!

10/1 - Board Meeting  
10/7 - DuPage Counts  
10/15 - Unit Meeting on  
School Funding and  
Fiscal Policy

\*\*\*

The unconscious  
democracy of America  
is a very fine thing. It is a  
true and deep and  
instinctive assumption  
of the equality of  
citizens, which even  
voting and elections  
have not destroyed.

G. K. Chesterton

## President's Letter

*Greetings!*

*Our first meeting of the year was a huge success. The Fall Feast at the DuPage Historical Museum catered by Mai Thai was delightful with 65 in attendance. Many thanks to Joan Fefferman and her committee for such a tasty treat.*

What's going on in the league right now?

*True Census Count Impacts Congressional Seats*

The LWVIL *True Census Count: Everybody Counts* project is working with local Leagues and community organizations to make sure that Illinois is fully and securely counted during Census 2010 and that the redistricting process which follows in 2011 is an open and transparent one.

IT'S IN OUR HANDS

Data from the census is used by the federal government to distribute more than \$400 billion annually to state and local governments and to ensure that seats in the U.S. House of Representatives are fairly and equitably apportioned. If Illinois' count falls short, we might **lose two seats** in Congress.

Countdown to Census 2010 – **Everybody Counts!**

The LWV Wheaton is working with the LWVIL, the 4 other leagues in DuPage County, as well as the Citizen Advocacy Center, the College of DuPage, and the County of DuPage, in a collaborative effort -DUPAGE COUNTS - to educate community leaders about the importance of the census and insuring a complete count in DuPage County. DUPAGE COUNTS is hosting a Census 2010 Kickoff event on Wednesday, October 7<sup>th</sup> at the College of DuPage

to which we invited community leaders from government, business, education, human services, and faith-based organizations to learn why the Census is important to everyone in DuPage County and how they can help! Speakers will include a representative from the regional office of the US Census Bureau, the County Board of Supervisors and others who will speak and field audience questions.

We are very excited about this event and particularly proud of the collaborative effort of the DUPAGE COUNTS! group and the cooperation of other organizations who partnered with us to send the invitation to their members: DuPage County Human Services Department, DuPage Mayors and Manager Conference, DuPage United, College of DuPage, Chambers of Commerce, & DuPage Federation.

### What's coming up?

Next year is an election year and the need for one or more Candidate Forums. We do not currently have a chairperson or a committee to plan and conduct Candidate Forums. I would like to put together a committee and am looking for members willing to work on it. Please call me if you are interested or if you have experience to help guide those of us who are new at this.

Missey  
October 2009

David Morrison, Assistant Director of the Illinois Campaign for Political Reform, at the Fall Feast

## Very Important Unit Meeting on Education

Mark your calendars now for the unit meeting on education on October 15, 2009 at the Wheaton Community Center. Our speakers are community leaders in education. Beforehand, there will be time for private discussion with our speakers.

See the Education, State Fiscal Policy & School Funding Workgroup Synopsis on the following page for details.

## 2009-2010 Dues are Due!

If you haven't sent your check yet, please do so as soon as possible... to save the membership chair the bother of bothering you!  
Thanks.

Denise

### *Votes For Women!*

by Elizabeth Robins, directed by Robert Scogin  
October 17 - November 9, 2009 at The Ruth Page Center for the Arts, 1016 N. Dearborn.

Written by the American actress Elizabeth Robins in 1906, *Votes for Women!* is an early feminist work that confronts how men sexually exploit women. The story's heroines must not only open the eyes of their fellow female peers, but also must save men from their own dark nature. *Votes for Women!* is being presented in celebration of the 90th anniversary of women's suffrage in the U.S. Robins was noted for her feminist views and was a fan of playwright Henrik Ibsen, a fellow champion of women's rights. Robins was very active in the Women's Suffrage Movement in England and wrote this play to further the cause in England and America .

ShawChicago is offering \$12.50 tickets for groups of 10 or more. To order tickets or for more information call ShawChicago at 312.587.7390, email [info@shawchicago.org](mailto:info@shawchicago.org) or go to [www.shawchicago.org](http://www.shawchicago.org).

Do you like the tradition of having coffee & cookies at our meetings? Coffee is covered, but we could still use a little something sweet.

Contact Misse to volunteer to handle that for 1 or more meetings.

## Workgroup Synopsis

### **Diversity**

Frank Goetz

The Diversity Team met on September 10 to discuss the development of Colorful Discussions as a collaborative effort of COD and the Wheaton League to engage a truly multi-cultural segment of DuPage in regular conversation on topics of interest. A steering committee will be formed to draft a specific proposal. Input from other League members is welcome.

### **Education, State Fiscal Policy & School Funding** Joan Fefferman & Carol Elias

The unit meeting on education on October 15, 2009, will with Ms. Kathy Nesburg, a highly recommended LWVIL Fiscal Policy/School Funding specialist and a lawyer, from Oak Park. She will review the League's positions on education and the overall funding situation in our district, based on the budget from the State of Illinois and the policies given by President Obama through the ARRA act.

Then, Mr. Bill Farley, District 200's Assistant Superintendent for Business Operations, will discuss several issues, from complications with our school budget stemming from local issues, to state budget problems, and to the ARRA funding implementation. With CUSD 200 for 14 years, he is responsible for the District's budget. His department includes payroll, technology, accounts payable, transportation, food services, insurance benefits and facility services. Married for 19 years, his children attend WNHS, Monroe and Pleasant Hill Schools. He's worked for the renewal of nine elementary buildings assisting with the contracts, budgets and funding. Bill was serving on a committee to build Longfellow School. When John Sluis, Director of Building and Grounds died, Bill stepped in to handle the bidding process and guided the construction while continuing to serve as the Asst. Superintendent. He supervised the renovations of both Wheaton North and South. His latest project, the Hubble Middle School, opened August 25, 2009. The building is a state-of-the-art LEED certified building and is program driven.

We are preparing some questions for Mr. Farley and Ms. Nesburg for the Q&A time. But bring your questions, too. Bring your friends to hear these gifted speakers; the meeting is open to the public. We can all learn and grow from this evening.

The committee helped to write a letter to Dr. Drury about President Obama's Sept. 8<sup>th</sup> speech to school children, which was shown in District 200 according to their own schedules on Sept. 9<sup>th</sup>. We were pleased that the District and the School Board altered their decision so our children could see this speech. The committee drafted a letter to which was sent to the School Board commending the final decision; we were satisfied to see this issue resolved.

We will have another meeting of the education committee at 10:00AM on October 7.

## **Environment**

**Di Niesman**

PBS is beginning a six part series by Ken Burns called "The National Parks: America's Best Idea" on Sunday, September 27 at multiple times. Episodes 2-6 follow on consecutive days (9/28-10/2). It should be great viewing for all who love our national parks and want to protect them for future generations.

## **Healthcare** Gwen Wharton & Pat Duhey

New members are welcome. Please let Gwen or Pat know of your interest. This year we especially want to understand health care issues. Be sure to read the LWVUS article which is in this Voter.

## **Housing** Jan Kay

The Housing Action Committee will begin the regular meeting schedule as the Fall sessions of the advocacy agenda begins. We have been regular participants in the work of the DuPage Housing Action Coalition throughout the year, and presently League members, Mary Ellen Durbin and Kathy Kregor serve as co-chairs for DHAC. League members Barb Deli and Dru Bergman are active members as well. DHAC is helped in research and advocacy by Business and Professional People for the Public Interest associate, Susannah Levine as well as Housing Action Illinois associate, Bob Palmer. LWVIL is a member of HAI and serves on the advocacy committee of that organization. The Wheaton League is kept informed of the advocacy agenda through the LWVIL for State and Federal issues and responds appropriately in harmony of our positions.

Locally, the League is keeping abreast of issues coming before the Wheaton City Council as well as the Hubble Advisory committee in order to continue to advocate for more modest income housing, both ownership and rental opportunities. Wheaton League will work with DHAC in celebrating Affordable Housing Month in November. Those activities are in the planning stages.

We would like to invite you to become a participant in the Housing Committee, being as active as you find possible. Please let Jan Kay know of your possible interest. The more diverse the group is, the more realistic the advocacy will be.

In addition, do you have an organization that would be interested in a presentation regarding modest income housing? Please let us know. Public education is vital for the public's support of what the Wheaton League is supporting in our Community.

## **Viable Downtown Wheaton**

**Carol Honeywell**

The committee will have information about Wheaton's downtown area, gathered from residents across the city, available for the November *Voter*.

## **Understanding Healthy Competition: How To Structure Public Health Insurance Plan Choice To Ensure Risk-Sharing, Cost Control And Quality Improvement**

(Courtesy of the Berkeley Center on Health, Economic & Family Security, UC Berkeley School of Law, & Institute for America's Future)

By Sue Bredensteiner

In April 2009, Jacob S. Hacker, PhD, professor of Political Science at UC Berkeley and co-director of the Berkeley Center on Health, Economic & Family Security at the UC Berkeley School of Law, issued the *Healthy Competition* brief. It notes that the health care reform debate is increasingly focused on inclusion of "public plan choice." Such a new public health insurance would operate within a national insurance Exchange and be modeled after Medicare. It would allow Americans, who are under 65 years of age and do not have employer-based health insurance, to enroll in a quality, affordable care plan offered through a network of providers across the country.

Properly structured, the new public plan would compete with private insurance on a level playing field, and have authority of bargaining power as one of its tools to achieve greater value in health care delivery. The goal: a health system where private and public plans compete side by side and are rewarded when they deliver better value and health outcomes to their clients. A new public plan offers stability, quality, affordable care, and high standards. Private plans provide pressure for innovation in care management and benefit design as well as an alternative for people who find that the public plan does not serve their needs.

### **WHAT WOULD A PUBLIC PLAN DO?**

- Promotes healthy competition between public and private health insurance alternatives on a level playing field.
- Places a crucial check on both the public and private plans encouraging them to remedy inherent weaknesses.
- Provides proven cost controls through lower premiums, lower out-of-pocket costs, and a long-term ability to restrain costs.
- Spurs improved quality of care.
- Establishes a hybrid model that builds on the best elements of existing public programs and private benefits while ensuring health security that current health financing plans do not provide.
- Safeguards and improves the Medicare model by upgrading the program.
- Offers a sensible, practical way based on established programs and models for nonelderly Americans without secure workplace insurance to obtain group

coverage for quality, affordable care through a broad choice of providers in all parts of the country.

## HOW WOULD A PUBLIC PLAN WORK?

- Initiates a Health Insurance Exchange that interfaces easily with current employee sponsored group coverage and public programs (Medicaid, CHIPRA) to provide access to Exchange-offered public or private plans.
- Retains employment-based insurance in which employers continue to help pay premiums for privately purchased coverage.
- Requires employer contributions to the exchange for those who do not offer health coverage.
- Continues coverage for people currently covered by existing public programs (Medicaid, CHIPRA).
- Provides coverage for people younger than 65 without workplace insurance or access under an existing public program through the Exchange, which will be safeguarded by a separate administrative body for the new public plan, along with rules, risk adjustment, and regional pricing to ensure a level playing field for public and private plans.
- Structures the new public plan to provide *national* terms for patients and providers; *governmental* rather than nonprofit administration under federal charter; *comprehensive* defined benefits on the same administrative platform; *built on Medicare's infrastructure*, using the basic overall structure of Medicare as a foundation for the new plans operations, such as using existing regional and national public administrative bodies and services of insurer who currently act as carriers by processing payments.
- Operates under **rules** that apply to private and public plans: *Community rating*—all plans charge the same rates to all subscribers; *Guaranteed issue*—all plans take everyone who wants to be in them; *Limits on marketing*—choice is based on objective information provided by the Exchange administrator; *Standardized and defined benefits*—at minimum, all plans offer a benefit package that meets a basic actuarial standards, covers the same full range of benefits, and has the same maximum limits on out-of-pocket spending; *Reserve requirements*—private plans must have adequate reserves, the public plan has the full faith and credit of the federal government; *Transparency*—all plans clearly state their terms and open their books for basic review of spending and revenues.
- Recognizes a need for **risk adjustment** that allows plans to be paid different amounts by the exchange based on the expected and realized risk of their enrollees so that neither enrollees nor plans are penalized when a plan attracts less healthy participants.
- Enacts a **regional pricing system** that ensures plans compete fairly with each other within geographic regions and relative disparities in plan costs are reflected in premiums that enrollees pay.
- Uses a **regionally based competitive bidding process** in which plans submit bids to provide standardized benefit packages within the nationally administrated

Exchange (benefits provided will vary modestly to encourage plan diversity but within a common baseline for comparing bids).

- Authorizes **countervailing bargaining power** to ensure better rates and controlled costs without evidence of reduced access or impaired health.
- Offers a reasonable number of meaningful choices in which public plans offer stability, wide pooling of risks, affordability of premiums, broad provider access, capacity to collect and use pertinent information on a large scale to improve care.

### ***Wheaton City Council Highlights***

***Meeting: Sept. 8, 2009***

#### **Council Votes 5-2 to Fund Bus Route**

The City Council voted 5-2 in favor of providing funding through a local share agreement for Pace Bus Route 714. The bus route connects Wheaton, Naperville and the College of DuPage, including stops at Wheaton and Naperville train stations, the Danada shopping area and other popular destinations. The Council amended the agreement to fund the bus route at the previously discussed amount of \$36,000, not the modified amount of \$44,000 that Pace is now requesting.

***Meeting: Sept. 21, 2009***

#### **Commission Calls for Prairie Path Plan**

To lend the Council's support for the Environmental Improvement Commission, Mayor Gresk presented Commission Member Tom Grimston with a proclamation regarding the

Illinois Prairie Path. It calls for Commonwealth Edison and DuPage County to develop a comprehensive management plan for tree trimming and removing native vegetation on the Illinois Prairie Path.

### **Video Gaming Ordinance Introduced**

The City Council received the first reading of a proposed ordinance that would ban video gambling within city establishments. The proposed ordinance will be formally considered at the Oct. 5 City Council meeting.

### **Council Advises City Attorney to Prepare Ordinance**

The City Council received a report from the Planning & Zoning Board recommending approval of an application that would rezone the property at 411 E. Roosevelt Road from the R-4 Residential District to the O-R Office Research District with two landscape setback variations. The Council advised the City Attorney to prepare an ordinance approving the application for the Council to consider.

Please see <http://www.wheaton.il.us/government/councilhighlights> for additional highlights of Wheaton City Council meetings.

#### **Meeting Highlights**

- Please see [http://www.cusd200.org/board\\_of\\_education/highlights.htm](http://www.cusd200.org/board_of_education/highlights.htm) for District 200 school board meeting highlights.
- Please see <http://www.cod.edu/adminstr/boardmin.htm> for the minutes of the COD Board of Trustee meetings.
- Please see <http://www.wheatonparkdistrict.com/pgs/about/bmeetings.html> for minutes of Wheaton Park District meetings

# We Thank Our Local Supporters

Every fall the Wheaton LWV asks businesses and professional people in the community to help support our work. The names on these pages are those who responded to our 2008 Finance Drive. When you patronize them, thank them in person for supporting the Wheaton League of Women Voters
