From the Executive Committee

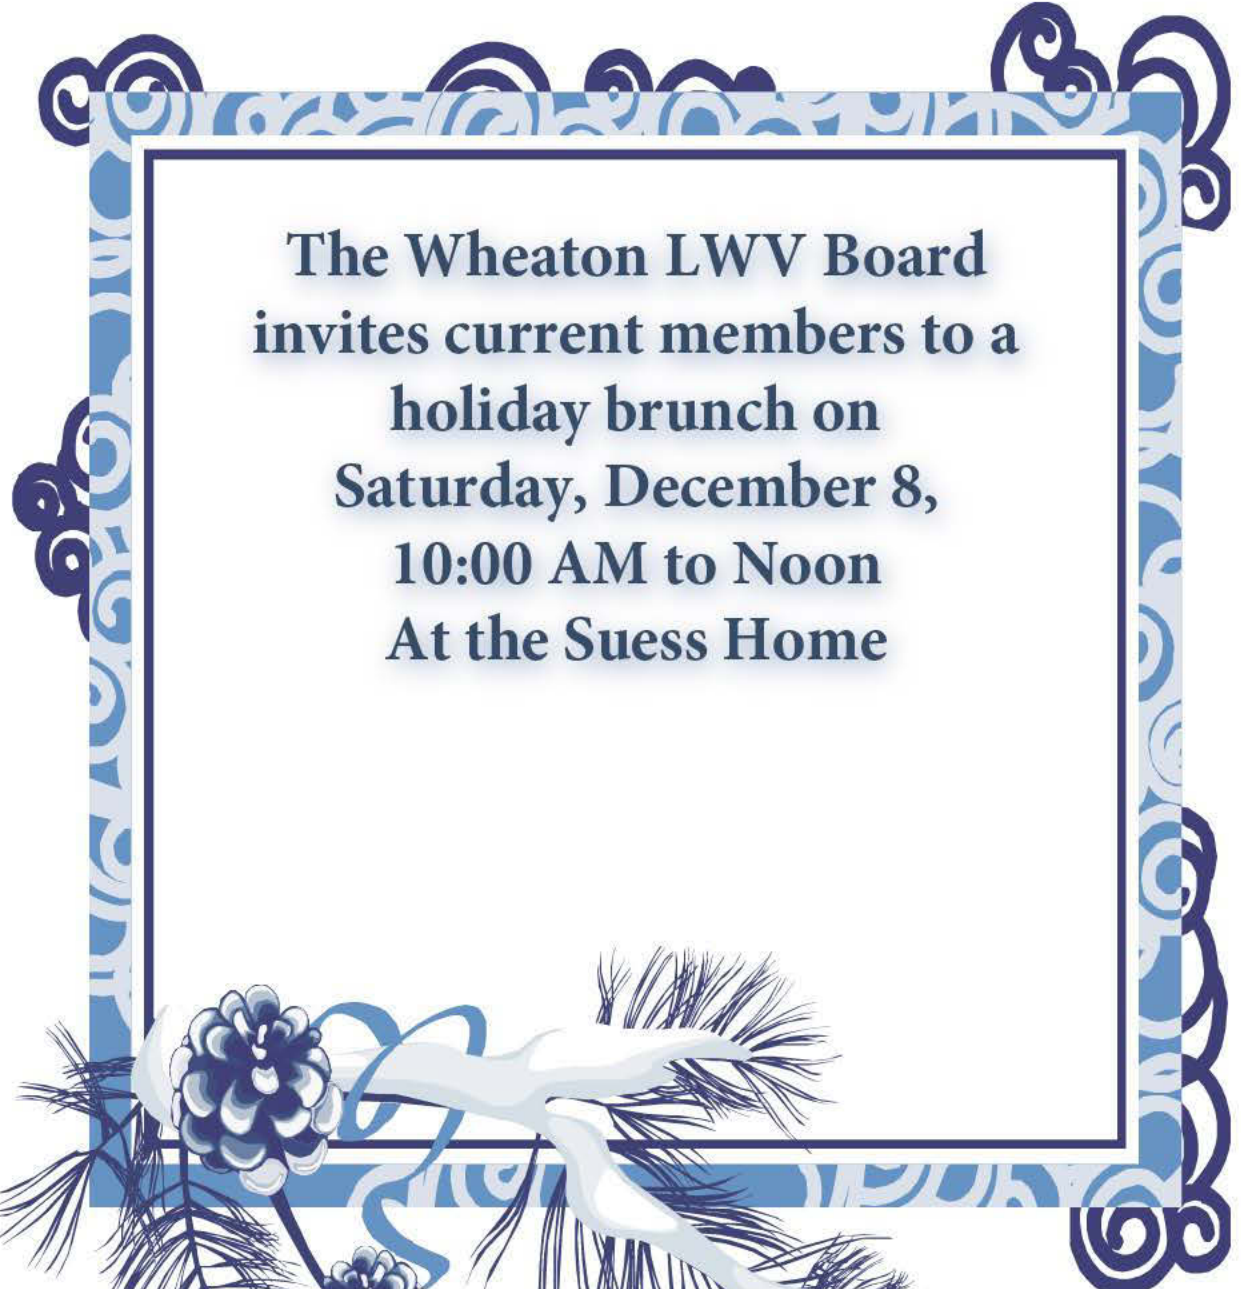

We don't usually put together a VOTER for December, but we wanted members to be reminded of our Holiday Brunch, a gift from your Board of Directors, at the Suess home on Saturday, December 8, 2012 from 10 AM to Noon. We also wanted to thank the 21 members who came to the Pension Consensus meeting on 11/15/12. We had soup, sandwiches and lively discussion. Special thanks go to Roberta Jacobson for facilitating the meeting and to Liz Quigg for recording the results. Both executed their tasks masterfully.

The elections and Thanksgiving are behind us. Christmas, Hanukkah and the New Year are ahead of us. We take a breather from League business until 2013. Our first unit meeting of the new year, on January 17, 2013, will feature the Mayor of Wheaton and representatives from CUSD 200 and the Wheaton Park District in our "State of the Community" program. The League of Women Voters of Illinois will hold its annual Issues Update in Chicago on Saturday, February 9, 2013. Watch for details of both events in future VOTERs.

Until then, Happy Holidays everyone!
 Missey, Liz, Di and Olga
